

LeadSavor

by DWM Media

Monthly Flat-Fee Pricing

LeadSavor Plans

One product. Two channels. Every lead captured — whether they find you online or call your phone.

STARTER

LeadSavor Starter

\$1,000 setup + \$249/mo

AI chatbot + AI receptionist · billed monthly

AI Chatbot — captures leads on your website

- **Custom-trained AI**

Trained on your services, pricing, and FAQs

- **Live appointment booking**

Books jobs directly into your calendar

- **Installs on any site**

One line of code, works on any website platform

- **Google Calendar sync**

Bookings go straight into your Google Calendar

- **24/7 FAQ answers**

Handles questions any time, day or night

- **Lead capture**

Collects name, number, and job details from every visitor

- **Mobile-optimized widget**

Looks perfect on phones — where most traffic comes from

- **Monthly reporting**

See leads and bookings the AI generated each month

AI Receptionist — captures leads on your phone

- **Answers missed calls 24/7**

Picks up when you're on a job or after hours

- **Handles FAQs by voice**

Answers pricing, service, and availability questions

- **Callback capture**

Takes a message if they're not ready to book

- **Call recordings**

Full audio recordings stored and accessible anytime

- **Books appointments by phone**

Schedules jobs during the call — no callback needed

- **Captures caller info**

Gets name, number, and job details from every caller

- **Call transcripts**

Every call transcribed so you can review it

- **Backup-only mode**

Only answers if you don't pick up — you're always first

PRO

LeadSavor Pro

\$1,500 setup + \$349/mo

Everything in Starter · billed monthly

Everything in LeadSavor Starter, plus:

- **Lead qualification**

Filters leads so you only hear from serious buyers

- **CRM sync (web + phone)**

Pushes every lead into your CRM the moment it comes in

- **Review request automation**

Sends review requests after every completed job

- **Multilingual support**

Serves Spanish-speaking customers without extra staff

- **Multi-service routing**

Routes callers to the right service automatically

- **SMS follow-up**

Auto-texts leads after contact on any channel

- **Automated re-engagement**

Follows up with cold leads automatically over time

- **Quarterly tune-up**

We review and improve both AIs every 3 months
