LeadSavior Plans

One product. Two channels. Every lead captured — whether they find you online or call your phone.

STARTER

LeadSavior Starter

\$1,000 setup + \$249/mo

AI chatbot + AI receptionist · billed monthly

AI Chatbot — captures leads on your website

- | | |
|----------------------------|---|
| ✓ Custom-trained AI | Trained on your services, pricing, and FAQs |
| ✓ 24/7 FAQ answers | Handles questions any time, day or night |
| ✓ Live appointment booking | Books jobs directly into your calendar |
| ✓ Lead capture | Collects name, number, and job details |
| ✓ Installs on any site | One line of code — works on any platform |
| ✓ Mobile-optimized widget | Looks perfect on phones |
| ✓ Google Calendar sync | Bookings go straight into your calendar |
| ✓ Monthly reporting | See leads and bookings generated each month |

AI Receptionist — captures leads on your phone

- | | |
|-------------------------------|--|
| ✓ Answers missed calls 24/7 | Picks up when you're on a job or after hours |
| ✓ Books appointments by phone | Schedules jobs during the call |
| ✓ Handles FAQs by voice | Answers pricing, service, availability questions |
| ✓ Captures caller info | Gets name, number, and job details |
| ✓ Callback capture | Takes a message if they're not ready to book |
| ✓ Call transcripts | Every call transcribed so you can review it |
| ✓ Call recordings | Full audio recordings stored anytime |
| ✓ Backup-only mode | Only answers if you don't pick up |
