1. SERVICES

DWM Media will build, install, and maintain an AI-powered chatbot on the Client's website or business profile. The chatbot will engage visitors, answer questions about the Client's services, and book appointments on the Client's behalf.

2. FEES

Fee Type	Amount	Due
One-Time Setup Fee	\$ _____	Upon signing
Revenue Share	20% per new customer*	1st of each month

** **Revenue Share defined:** 20% of the gross revenue collected from the first job or transaction with each new customer whose first point of contact with the Client was through the DWM Media chatbot. Returning customers from outside the chatbot are excluded.*

3. MONTHLY REPORTING

By the **1st of each calendar month**, the Client will report to DWM Media the total revenue collected from all new customers who booked through the chatbot in the prior month. The Client will provide the customer name, job date, and amount collected for each qualifying job. Reports may be submitted by email.

4. OFFICIAL RECORDS

DWM Media maintains a timestamped log of every appointment and inquiry submitted through the chatbot. In the event of a discrepancy between the Client's report and DWM Media's records, **DWM Media's appointment logs shall serve as the authoritative record** of which customers originated from the chatbot.

5. TERM & TERMINATION

This agreement begins on the date signed and continues until either party provides **30 days written notice** of termination by email. The setup fee is non-refundable. Revenue share obligations for customers already booked through the chatbot survive termination until those jobs are completed and paid.

6. BREACH

Submitting a false or materially understated monthly report constitutes a material breach of this agreement. Upon breach, DWM Media reserves the right to (a) remove the chatbot immediately with no refund of the setup fee, and (b) pursue the full amount owed plus reasonable collection costs.

7. GOVERNING LAW

This agreement shall be governed by the laws of the State of Florida. Any disputes shall be resolved in the county where DWM Media is located.
