

## SERVICES & PRICING GUIDE

We offer two engagement models — choose the one that fits your business type.

### PART 1 — WEBSITE SERVICES

| Starter Site                                                                                   | Business Pro                                                                                                          | Premium                                                                                                                         |
|------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| <b>\$499</b>                                                                                   | <b>\$899</b>                                                                                                          | <b>\$1,499</b>                                                                                                                  |
| one-time                                                                                       | one-time                                                                                                              | one-time                                                                                                                        |
| ✓ Up to 3 pages ✓ Mobile responsive ✓<br>Contact form ✓ Google Maps embed ✓<br>Basic SEO setup | ✓ Up to 6 pages ✓ Everything in Starter<br>✓ Gallery / portfolio ✓ Service pages ✓<br>Booking form ✓ Google Analytics | ✓ Unlimited pages ✓ Everything in Pro<br>✓ Blog / news section ✓ E-commerce<br>ready ✓ Speed optimization ✓ Priority<br>support |
| Best for: startups & solo operators                                                            | Best for: established local businesses                                                                                | Best for: growing businesses & stores                                                                                           |

*All websites include free hosting setup guidance and one round of revisions.*

### PART 2 — AI CHATBOT SERVICES

Both models start with a one-time setup fee. The difference is how ongoing service is billed.

| MODEL A — MONTHLY RETAINER                                                                                                                                                | MODEL B — PERFORMANCE SHARE                                                                                                                                            |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Best for:</b> High-frequency or delayed-payment businesses                                                                                                             | <b>Best for:</b> High-ticket, fast-payment service businesses                                                                                                          |
| Restaurants · Salons · Barbershops · Nail salons Gyms · Retail ·<br>Law firms · CPAs · Real estate agents Insurance brokers · Anyone<br>paid on commission or contingency | HVAC · Plumbers · Electricians · Roofers · Contractors Dentists ·<br>Pest control · Landscaping · Auto repair Any trade where the job is<br>done & paid within 30 days |
| <b>One-Time Setup Fee:</b> \$ _____                                                                                                                                       | <b>One-Time Setup Fee:</b> \$ _____                                                                                                                                    |
| <b>Monthly Retainer:</b> \$ _____ / mo                                                                                                                                    | <b>Performance Share:</b> 20% of first job per new customer                                                                                                            |
| Flat monthly fee regardless of booking volume. Simple and<br>predictable — no tracking, no reporting, no waiting on cases to<br>close.                                    | No monthly fee — we invoice 20% of the first job revenue from<br>each new customer the chatbot brings in. You only pay when<br>you get paid.                           |
| ✓ Custom AI chatbot ✓ Appointment booking ✓ Lead<br>capture ✓ Monthly updates & support ✓ Performance<br>reports                                                          | ✓ Custom AI chatbot ✓ Appointment booking ✓ Lead<br>capture ✓ Timestamped booking logs ✓ Monthly invoice<br>from chatbot records                                       |

**How to choose:** Ask two questions — (1) Is the average job over \$300? (2) Does the client get paid within 30 days of the job? If both answers are YES — use Performance Share. If either answer is NO — use Monthly Retainer. *Example: A law firm takes big cases but can wait years to collect. Monthly Retainer. A plumber charges \$800 and gets paid the same day. Performance Share.*

## PART 3 — BUNDLE & SAVE

|                                 |                                                                                                    |               |
|---------------------------------|----------------------------------------------------------------------------------------------------|---------------|
| <b>Website + Chatbot Bundle</b> | Save \$200 off combined setup fees when you get both a website and chatbot from DWM Media.         | <b>-\$200</b> |
| <b>Referral Discount</b>        | Refer another business that signs with DWM Media and receive \$100 off your next month or invoice. | <b>-\$100</b> |
